

Future Supply Chain's temperature controlled logistics arms now delivers frozen fruits and vegetables across the country

Increases its fleets of 100% GPS enabled reefer trucks and pallet capacity

National 23rd August 2017: Future Group's integrated logistics solutions company 'Future Supply Chain' (FSC) strengthens its Temperature Controlled services with an inclusion of 144 100% GPS enabled reefer trucks and 7423 pallets. Reefer trucks (refrigerator trucks) are equipped with double-leaf insulated doors and an advanced door locking system which maintain products in temperature ranging from -25°C to 25°C with full cold chain adherence and regulatory compliance.

The reefer trucks are designed to transport perishable items like fruits, vegetables, medicines, dairy products, etc. as per required temperature ranging from Frozen Temp Range -25°C to 0°C ideal for meat products, Chilled Temp Range 0°C to +4°C required for dairy products like cheese, Cold Temp Range from 2°C to 25°C meant for medicines, fruits, vegetables etc. The advanced and efficient temperature controlled logistic system ensure that storage sites are equipped with high quality insulation on walls & floor and are strategically located near electrical supply grids.

Speaking about cold chain services **Mr. Mayur Toshniwal, Managing Director, FSC** says, "We are continuously working towards enhancing the logistics offerings, with an objective of establishing FSC as a one stop destination for all supply chain needs. Our endeavor is to ensure that we offer the best logistics services that can deliver any type of product under the sun, be it clothing, medicine, ice cream or vegetables all at its best standard."

FSC has one of the largest distribution networks in the country supported by technology enabled, state of art distribution centres. The service offerings include, PAN India distribution network, "hub-and-spoke" transportation model and operational infrastructure, including automated technology systems, supported with competitive market position across India.

About Future Group
